

# MANDARIN GINGER GREEN TEA

## (5% ABV)

Beverages Centre of Excellence, Amsterdam, Tel: +31 36 5233 100

### Description:

A clean-label, natural focussed, low-alcohol carbonated beverage – built on a base of 2.4% acerola juice and green tea extract – with mandarin and ginger natural flavourings which delivers a natural & clean taste profile. Our flavour modulation technology *fmt*<sup>™</sup> helps to mask the astringency of the green tea and the alcohol burn.

### Kerry Delivers:

- Botanicals: green tea extract
- Natural flavourings (mandarin, banana, ginger)
- *fmt*<sup>™</sup> natural flavouring - for sugar modulation and astringency masking

### Label Declaration:

Sparkling water, sugar, alcohol, isomaltulose, extract of green tea, fruit juices (from concentrates of acerola, blackcurrant), natural flavourings, citric acid, ascorbic acid.

### Nutritional Value:

Calorific Content: 60 kcal per 100ml

### *fmt*<sup>™</sup> (Flavour Modulation Technology) Benefits:

- Clean taste profile
- EU label friendly declaration 'Natural Flavouring'
- 20 - 30% Sugar reduction
- Mask off-notes in beverages
- Improves the sweetness delivery profile of Stevia sweetened beverages
- Improved mouth feel
- For reduced calorie/GI beverages

### Kerry Botanicals for Beverages:
