

SUMATRA COFFEE

Rum liqueur

A blend of premium cask aged rum with the delicate, sophisticated taste of Sumatra coffee – to deliver a rich and complex rum-coffee-liqueur product.

Kerry Technologies

X-café™ Sumatra coffee extract
Mastertaste™ Natural Flavours

X-café™

X-café™ is the Kerry range of single origin liquid coffee extracts, manufactured from the green coffee beans, sourced from different parts of the world, through roasting and extraction, thanks to a patented process that delivers only the pure taste of coffee and adds a silky texture to your alcoholic beverage concepts. Product range includes Colombian dark roast, Sumatra, Espresso.

The Kerry beverage and flavour experts can provide you with a whole portfolio of innovative exciting high alcohol containing concepts for your sophisticated consumers, tapping both the on trade and the off trade occasions and creating unusual, unexpected taste experiences. We can partner with you in interpreting your brands, and offering added value ideas and ingredients for your long term business objectives.

Consumer Labeling

Water, 20% alcohol, sugar, coffee extract.
