

MONACO SLUSH

Grenadine delight

Enjoy this unique ice-cold beer based drinking experience. Low in alcohol with a fruity, juicy grenadine flavour. Trendy, fashionable and easy-going, ideal for bars, nightclubs etc. Ideally served in an ice-water slush dispenser, it makes a fantastic summer drink.

Kerry Technologies

Buvatex™ ingredient system (Buvatex ST 3037). Designed to keep the beverage in ice-water suspension form.

Mastertaste™ Natural Flavourings for Beer (grenadine type)

Buvatex™
